Activities:

January:

There's approximately a 2 ½ year wait if someone ordered a new full-sized Harley on this date.

Idaho was the last of the 50 states to require a motorcycle license. The federal government was working toward enacting laws that take control from the states, if states do not prove that they are taking the matter of motorcycle safety into their own hands. Since Idaho motorcycle programs are paid by motorcycle riders with the measures put in place two years ago. If the state doesn't demonstrate their desire to enact motorcycling safety initiatives, the feds will.

June:

MDA Ride

Weiser Rodeo

Idaho State Rally (Twin Falls)

August:

Toy Run

December:

Toys-for-Tots
