## DIRECTOR'S MESSAGE

*David Kesner*

[Intermountainhog.com](http://Intermountainhog.com)

As you read this, we will have already had our first ride in the books – the annual Frozen Butt ride we do on New Years Day. Even though it was a bit chilly at 27 degrees, we had 13 bikes and nine trikes make the ride out to the Boise Stage Stop for breakfast. This is only the start to what promises to be a great riding season.

Speaking of riding – our membership logged a total of 880,388 combined miles in 2024 with only 85 of our members participating in the H.O.G. Mileage Program. That puts our Chapter at 4<sup>th</sup> in the western region and 12<sup>th</sup> in the nation. Let that sink in... our members rode more miles in our limited riding season than all but 11 other Chapters in the whole US. A lot of those Chapters have a year-round riding season and more members. I think it is entirely feasible that we could make one million miles this year if all our members would participate in logging their mileage. Check out page five in this newsletter on how you can help “rack up the miles”.

I am looking forward to serving you in the upcoming year. If anyone has any questions, concerns, or issues please feel free to contact me or anyone on the Board.

## MEET OUR NEW BOARD MEMBERS

### ASSISTANT DIRECTOR

Retiring to a New Adventure

It's bittersweet. After 9 years as your Chapter Webmaster, I'll be transitioning this year as your Assistant Director with its path to Chapter Director. It will be just as engaging and fulfilling in a less "techy" way. Thank you for entrusting me with our phenomenal group of riding enthusiasts!

I love the camaraderie and family spirit of being a member of our H.O.G. Chapter since I joined in 2009. With my BS in Computer Science/University of Maryland and my love affair with graphic art/design, I was "volunteered" for the Chapter Webmaster position in 2015 when Mason moved into the Director position that same year. Never a dull moment since!

I think all of my life's experiences groomed me and continues to groom me for what lies ahead. Who knew that deciding to enlist in the Air Force out of Pittsburgh in 1976 would lead to finding my soul mate; living abroad in Korea, Italy, and Germany; flying barrel-rolls and loops in the USAF Thunderbird Narrator's 2 seat F-16 over Las Vegas at Nellis AFB... (Tom Cruise has nothing on that); marching, instructing, and inspecting Airmen and NCOs at Air Force Professional Military Education Leadership Schools; working as an Accounting Disbursement Specialist, designing Air Force accounting data retrieval programs; serving as a First Sergeant, Squadron Superintendent and Wing Group Enlisted Manager; and, settling in Idaho after being stationed in California, Nevada, and Arizona. Wow! What a ride...and I'm still riding! This time it's with my husband, Mason, of 43 years to wherever the road takes us.

It was Mason who introduced me to the exciting world of riding on the back of his 750 Kawasaki in California in the late '70s...then on his Honda Goldwing in Nevada in the '80s...and that leading to his first Harley-Davidson, a 1200 Sportster in Arizona in the '90s. That's where I caught the fever to ride my own...shhhh, it was a Honda Shadow. A few years after landing in Idaho in 1999, stationed at Mountain Home AFB, Mason found the Intermountain HOG Chapter in 2006. I followed suit getting my Idaho motorcycle endorsement with Brian in the Learn to Ride class, then took on the 3 Wheel class...there is a difference! After deciding to ride on 3 versus 2 wheels, I purchased my first Harley...2018 Tri Glide. Now, I can't wait to hit the road on my 2020 CVO Tri Glide "Princess" with our H.O.G. family, taking my nearly 40,000 miles in the seat to all the curves I can find!

Finally, who knew that after my 26 years in the Air Force and Mason's 30 we would retire in Idaho with the best motorcycles, the best friends and the best time of our lives!!

## **FOOD SAFETY OFFICER**

**Wayne Day**

*wday6910th@yahoo.com*

Hi! I'm Wayne Day, the new Food Safety Coordinator for Intermountain HOG in 2024.

I moved to Nampa in late 2017 along with my wife Gayle. I retired from United Technologies Corporation Aerospace Division in October 2014 with 41 years of service in Quality Control. Gayle retired from there as well in August 2017 with 43 years of service.

Gayle and I both joined Intermountain HOG in January of 2018. I was involved with cooking and serving for over 8 years with our HOG Chapter back in Jamestown, ND at Stutsman HD. I first started serving at the chapter events and then cooking with Intermountain HOG right away in 2018 and have been enjoying it ever since. I enjoy meeting the many people that have helped with the cooking and serving over the years plus also seeing those that come to the Biker Breakfasts and Burger Burns.

I first started riding in 1973 after getting out of the Air Force and purchasing a 1970 XLCH that had been modified as a chopper with extended fork, custom paint, Z-Bar handlebars and sissy bar (remember, this was the 70's!). I did quit riding in 1976 other than on a few occasions but in 2008 I got the bug again and bought a 1998 HD Electra Glide Classic that had been repossessed by the credit union. I rode that a bit and then in August 2010 I purchased a new 2011 Tri Glide. Since then Gayle and I have traveled over 100,000 miles on three different Tri Glides, a 2011, a 2016 and a 2021.

I'm looking forward to working with the people cooking and serving at the events this coming year.

## **MERCHANDISE OFFICER**

**Sherrie Pursell**

*Intermountainhog.com*

Hello friends!

After three years of serving the Chapter as the Food Safety Officer, I am now the Merchandise Officer.

I have lived in Boise for 33 years and am originally from Illinois. My husband, Ron, and I traded his Road King for a Tri-Glide in 2019. That same year we got married and walked 500 miles across Spain on the Camino de Santiago.

We are both retired and enjoy spending time with our HOG family. If you need Chapter patches or a name tag, come see me at one of the front tables at the General Meetings!

**MEMBER AT LARGE*****Sandy Carroll Kesner****sandyc.carroll2@gmail.com*

Hello fellow HOG Chapter Members!

My name is Sandy Carroll Kesner. I am one of the Chapter's 2024 Members at Large.

My husband David Kesner and I enjoy the HOG Chapter and all who are in the group. I am looking forward to getting to know more of our members. Last year I got my trike endorsement. I ride a 2021 CVO trike and can't wait to put some more miles on it with the group.

I retired last summer from 30 years of grooming dogs and sold my business. I enjoy volunteering for the Chapter and helping in any way I can.

**ASSISTANT LADIES OF HARLEYS OFFICER*****Corinna Robishaw****CProvantrobishaw@boisestate.edu*

Hello Everyone!! My name is Corinna Provant-Robishaw. I was born in Germany and speak fluent German. I lived in a very small town until the age of 8/9 years old with my German mother and military American father. Being from a military family and having lived all over the world, Boise is definitely home.

Doug and I have 6 children between us -- his 5 and my 1. Two of our kids live here in Boise, our youngest 23 year old daughter and 28 year old son - both working in the field of Social Work. We have a silver lab named Oakley, that is trained as a service dog, and a Corgi named Maple. In my spare time, I love riding motorcycles with my husband, Doug, hanging out with my family, practicing hot yoga and reading/listening to a really good book (usually on the back of the trike).

I currently work for Boise State University (12 years). Education is my passion. In the past I have worked in corporate training for eBay, American Express, and Overstock.com.

I am super excited to be more involved with our HOG chapter.

**WEBMASTER*****Mark Rowan***

[mwrowan@craggymtn.com](mailto:mwrowan@craggymtn.com)

Hello my fellow HOG Chapter Members. My name is Mark Rowan and I am the 2024 Chapter Webmaster. My wife, Lou Ann, and I have been chapter members since 2014.

I have a BSEE degree in Electrical Engineering from Clemson University, and yes, they are known for more than football. I am retired now having worked for Mostek Corporation, National Semiconductor, Motorola Semiconductor, and Micron Technology spanning a total of 33 years. My experience through these years included learning a new programming language every couple of years, and finding design and operational errors in the new products we were bringing to market. I worked on fun projects at these companies from an 8-pin clock/ram chip at Mostek to the National Semiconductor 32000 series microprocessor, the Motorola PowerPC RISC processor chip series, and several of the Micron DRAM memory devices.

Prior to my career in semiconductors, I enlisted in the Army for 3 years and got to tour South Vietnam just as things were winding down there. I was honorably discharged from the service in 1973 and moved to Asheville, NC, one of the many places my parents lived at that time. I earned an AAS degree in Electronics Technology while working a job repairing cash registers and scales. With this background, I became interested in furthering my education in engineering which took me on to Clemson University.

In my spare time I like to backpack to alpine lakes in our beautiful national forests and recreation areas to fish and take pictures of the landscape. Additionally, Lou Ann and I enjoy visiting my son and his family in Seattle whenever called upon to babysit. I still spend a lot of time tinkering on the computer but I can proudly say I have not written a single line of code during my retirement. Lou Ann and I love to ride with the club and we especially enjoy the overnight rides where we can get to know the club members on these rides a bit better.

I look forward to being your webmaster this year and I will work diligently to keep our Facebook page and Intermountain HOG webpage working smoothly for all of you.

**MEMBERSHIP OFFICER*****Dawn Renn***

[IMCHOGMembership@gmail.com](mailto:IMCHOGMembership@gmail.com)

Hello fellow members! My name is Dawn Renn and I am really excited to be your new membership officer. Cheryl has taken such good care of us and I hope I am able to fill her shoes.

I have been a member of several HOG organizations since the mid 1990's. I don't ride my own bike (the roads are safer because of this) but I do enjoy being a passenger. My husband is your Treasurer, Greg Renn.

I have been a Realtor® for over 25 years. Together we have four grown children, several grandchildren, 1 great granddaughter and two puppies. I truly enjoy the comradery of this group and have made many new friendships. I hail from Canada and have lived in the US since 1982. We moved to many different states

but we both finally feel like we're "Idahome" here. I look forward to getting to know everyone a little better this year.

## **SAFETY OFFICER**

***Justin Smith***

[Intermountainhog.com](http://Intermountainhog.com)

My earliest memory as a kid is riding on my dad's motorcycle. In my early teens I learned to ride dirt bikes with my dad. My dad always was big on all the gear all the time when we rode motorcycles. When I turned 16, I took the STARS motorcycle course. My first motorcycle was a Kawasaki 454 LTD and I rode that motorcycle throughout my high school years.

After high school I started my career in bicycle maintenance and it became my hobby as well. I raced mountain bikes and did some bicycle touring. I have worked as a bicycle mechanic, as well as a ski/snowboard tech for the past 25 years.

After 25 years of riding bicycles, I was sitting in an RV dealership buying a camper when I noticed they were selling a 2005 custom sportster 1200 with a custom paint job for less than \$2,000. I decided to buy it and when I rode it home, I didn't have a motorcycle helmet so I grabbed a bicycle helmet out of my truck. I didn't ride the bike home with the bike helmet, before I could get out of the parking lot the throttle broke in my hand and I laughed that dad would not allow me to ride without the proper helmet. After my first ride I realized that Harley was the bike for me.

After not riding since my teen years, I took the STARS experienced rider refresher course, and remembered what my father had always said, "A wise motorcycle rider goes through a safety course once every 3 years".

My wife Mindy also had not been on a motorcycle since her early teens riding dirt bikes and had never ridden on the street, so she took the basic course to get her endorsement. Mindy really enjoyed the classes and went on to take several more classes. Together we took the advanced course at High Desert as we both feel that motorcycle safety and knowing how to handle our bikes is the most important thing about riding.

I am looking forward to being the Chapter Safety Officer and sharing motorcycle safety with all of you.

*Thank you!*

Thank you to the 52 Chapter volunteers who stepped in to help man the 102 timeslots in our HDHD Gift Wrapping Fundraiser between November 24 and December 24! Everyone enjoyed themselves and the customers were appreciative!

**GENERAL MEETING**  
*Friday, January 26, 2024 - 7pm*

We encourage everyone to come early to visit and take the opportunity to get to know other members. We love to have as many members show up as possible as it gives the chapter strength to see active participation, plus it keeps everyone in the know.

Don't forget to wear your chapter patch for a chance to win a special prize. There are door prizes, a 50/50 raffle, and lots of fun! Remember, we count on you as members to help us keep the Chapter interesting and fun.

**BOARD MEETING**  
*Tuesday, February 6, 2024 - 6pm*

Board meetings are held the first Tuesday of each month (with a few exceptions), at 6pm. They last about an hour and as always, any chapter member can come and check out what goes on behind the scenes. No secret handshakes required! We meet at the Idaho Pizza Company, 5150 W. Overland Road, Boise.

***DID YOU BELONG TO ANOTHER H.O.G. CHAPTER BEFORE BECOMING AN INTERMOUNTAIN CHAPTER MEMBER?***

Hopefully by now you are aware the Intermountain Chapter participates in the National H.O.G. Ride 365 Program's Chapter Challenge. Our Chapter Liaison, Dennis Peck, records the odometer readings from each member's bike(s) and adds it into the H.O.G. Ride 365 database.

We have recently been made aware that if you **belonged to a different H.O.G. Chapter in the past**, your Ride 365 points are most likely being sent to the 'old chapter'.

To make sure the Intermountain Chapter gets recognized for the miles you ride with us:

1. If you have not created a H.O.G. member account, please sign up at <https://members.H.O.G..com/>
2. If you have an existing members.H.O.G..com account, copy and paste this secure link in your browser:  
[https://members.H.O.G..com/en\\_GB/H.O.G./HDMN\\_Ride365?PublicAccess=true&site=a0dj0000006mPzAAAU#annualMiles](https://members.H.O.G..com/en_GB/H.O.G./HDMN_Ride365?PublicAccess=true&site=a0dj0000006mPzAAAU#annualMiles)
3. You will see your lifetime miles, annual miles, and the chapter your points are being recorded for. **IF** it isn't the Intermountain Chapter Boise ID, go to The Garage at bottom of the page and click on the *Update Chapter* button. You will also see your current VIN number. If you have multiple Harleys you can count the miles for each one (edit your information as needed).

If you have any questions, please contact Dennis Peck at High Desert Harley-Davidson, 208-338-5599 or his cell number is 208-547-3474.

**Don't forget** – When you take your bike to Dennis to record your Ride 365 mileage, he will perform a FREE safety inspection on your bike (takes about 15 minutes). This is a free service for Intermountain Chapter members only.

## **CHAPTER MISSION STATEMENT**

Our mission statement continues to be: RIDE AND HAVE FUN! We do our very best to live and breathe those prophetic words, but again we need everyone's help. Please let us know if you have questions, concerns, or suggestions pertaining to the chapter. Although High Desert Harley-Davidson (HDHD) allows Intermountain Chapter members to drop off club related correspondence and/or applications (with/without accompanying checks attached) at the HDHD H.O.G. box located on the counter wall by the motor clothes, the dealership is not involved in the processing or tracking of these items. You can contact any board member or slip your comments into the appropriate box at the general membership meeting. We want to hear from you and will address your concern/issue promptly. We communicate a lot of updates and general information through email, our chapter hyperlink at <http://www.intermountainH.O.G..com>, and [our Facebook page](#).

## **EVER WONDERED - WHAT'S IN IT FOR ME?**

## 'Retirement Letter'

### *Cheryl Brenenstahl, Membership Officer 2018-2023*

It's been such a pleasure to serve as membership officer for the last 6 years. When I started, we had 235 members and I thought that was a lot. Now we have 350!

I have enjoyed meeting so many wonderful HOG members, some whom have been members in the chapter for many years; some have moved here for work or to be closer to family; and some came to visit and found out what a great chapter and dealership we have. They then went home, packed up and moved to Idaho!

This chapter has grown so much not just in members but rides, overnights, LOH events and other events like the breakfasts, burger burns, gift wrapping and of course the ACCP Party. It has been awesome to see the member participation in all of these events!

I plan on still being very much involved in the chapter by volunteering, and helping out the chapter with events. I know that Dawn will be a great membership officer. And yes, she will make cookies!

## **CHAPTER MEMBERSHIP**

*Dawn Renn, Membership Officer*

[IMCHOGMembership@gmail.com](mailto:IMCHOGMembership@gmail.com)

As some of you have noticed, National H.O.G. Membership for a full member has gone up to \$59, a \$10 increase over past years. Also, the Associate member now is called 'Passenger' and has gone up to \$59.

But here's the good news! Once the Passenger signs up or renews they award the Passenger 3000 points which equals \$30. Then you go online to the Passenger H.O.G. National account to retrieve a \$30 voucher to redeem either online at Harley Davidson or High Desert Harley-

Davidson. **NOTE:** They will not send you a notification! Please allow them a few days to get it posted.

The good part is that the Passenger still has all of the perks you had before like Ride 365 and Dealership Check Ins.

When renewing your IMCH.O.G. membership please consider paying with a check. Whether you are leaving your membership renewal in the HDHD H.O.G. box located on the counter wall by the motor clothes, or mailing it in, payment in cash does not guarantee that it will be received. If you pay by check and the payment is not recorded by the Treasurer, a stop-payment on the check is recommended. If you have any updates to your email address, home address, phone number, please email me. If you are not receiving emails, it could be that you've changed your email address and haven't let us know.

The cost of chapter membership renewals is \$20 per member. Print and complete the attached membership forms or download the Membership Enrollment Form and Information Sheet by clicking on this link or pasting it into your browser:

## **VOLUNTEER OPPORTUNITIES**

**Gayle Day, Activities Officer**

[gmd0830@yahoo.com](mailto:gmd0830@yahoo.com)

Wayne and I moved here 5 1/2 years ago to be closer to family from the Midwest. I think we joined the HOG chapter after the 2nd month. We have been so fortunate to have met such amazing people, we really feel blessed in many ways.

We are on our 3 Tri-Glide which has given us the opportunities to make priceless memories and HOG chapter overnights that 'what happens there stays there'.

We are both retired which gives us extra time on our hands so I thought what a great opportunity to get more involved in the chapter and meet more people while having fun doing it.

I am very much looking forward to working with all of you. I will take this opportunity to apologize now because my CHEESEBURGER will no way compare to the one you are accustomed to hearing. Karen please stop by and give us a shout!

Thank you!

## **LEAD ROAD CAPTAIN**

***Ron Pursell, Lead Road Captain***

*rpursell1949@gmail.com*

We have officially kicked off the 2024 riding season!

January 1st was a bit chilly. It was 31 degrees when I left for High Desert at 8:00 am on Monday, but it was a beautiful sunrise and clear skies. I was nowhere near the first to arrive as there was already a good group of brave souls waiting. We ended up with 13 bikes, 9 trikes and a bunch of cages. The head count was 68. The short ride out to The Stagestop was uneventful other than the fact that it felt great to be in the seat again.

As always, the staff at The Stagestop was on top of it, the service was quick and efficient, and the food was great. It was really nice getting together with “the family” again and I suspect it got a lot of people itching for more.

When I left, at around 11:00 am the sun was shining, it had warmed up into the 40’s and had me thinking about a longer ride but, alas, my day was pretty booked up. But I know I have the itch.

Thank you to all who showed up and made the ride a success. Now we can look forward to scratching that itch. See you on the road.

## ***An Intermountain H.O.G. Chapter Ride Protocol Reminder***

If you are joining a Chapter ride at a scheduled stopping point along the ride, there are a couple of pointers you should remember:

1. It is the rider or group of riders’ responsibility to let the Lead Road Captain know **in advance** that you will be joining the ride along the route so they can pass this information along to the other road captains.
2. It is the rider or group of riders’ responsibility to seek out the Lead Road Captain when the main group arrives. This is done so each individual can be signed in on the attendance roster as a ride participant for legal and insurance purposes before joining the ride.
3. Each rider must be briefed on the ride by the Lead Road Captain before joining the ride.
4. It is the responsibility of the rider or group of riders to join the main formation once it arrives and not to wait until the group is ready to depart from the stop. This makes mingling into the main group and setting up the stagger much easier.
5. Contacting the Lead Road Captain once the main group arrives assists in the tally of the bikes/trikes for our H.O.G. ride records.

These issues primarily arises when the meeting point is a popular location where other riding groups gather to begin their rides. It is difficult for the Lead Road Captain to know who are the H.O.G. Riders and who are from other organizations.

With these points in mind, the Lead Road Captain is assured everyone is signed in, accounted for, and ready to proceed for the remainder of the ride.

**CHAPTER RELEASE FORM FOR MINORS  
AND MINOR'S ASSUMPTION OF RISK INFORMATION**

**Clarification** – National H.O.G. requires a minor's parent or guardian to sign a **Chapter Release Form for Minors EVERYTIME THEY RIDE**, and if they are over 12 years old, the minor must sign a **Minor's Assumption Form EVERYTIME THEY RIDE**. This applies if the minor is a Chapter member or not.

The term "guardian" has been clarified to mean "legal guardian". Legal guardianship can only be assigned by a court, such as the family court, according to state laws.

If you're bringing a minor to one of our chapter rides, and you are not the parent or guardian of the minor, you must present a "Chapter Event Release Form for Minors" signed by the parent or guardian to the Lead Road Captain. Forms can be found on our website, [www.intermountainH.O.G..com](http://www.intermountainH.O.G..com), hit the "H.O.G. Riders" tab at the top. From there go to "Chapter Group Rides" then scroll down to "Road Captain Resources" where you will find the form or use the link below.

### ***LADIES OF HARLEY - AFTER CHRISTMAS CHRISTMAS ORNAMENT & WHITE ELEPHANT EXCHANGES***

***Linda Potts, LOH Officer***

***Corinna Robishaw, Assistant LOH Officer***

***Saturday, January 20***

Hello Ladies of Harley!

We are having our After Christmas Christmas Ornament Exchange and White Elephant event Saturday, January 20 from 1pm to 4:30pm at Smokey Mountain Pizzeria Grill, 980 E, Fairview Avenue, Meridian. If you have not RSVP'd please call me as soon as possible! My cell number is 208-869-9279.

Regarding the Ornament and the White Elephant Exchanges. We would like to keep the ornament cost between \$5 to \$10. The White Elephant Exchange is optional and can be that Christmas gift you received and are wondering, "what am I going to do with that?" Or the item can be something you bought or made for the house, yourself, etc. so be creative! We always have a great time and enjoy visiting with each other.

We are planning on setting the LOH calendar in the next couple of weeks for the year. This will allow for more planning time so perhaps more ladies can attend. If you have an idea for a get-together, please contact Linda at [ducelinda@gmail.com](mailto:ducelinda@gmail.com) or Corinna at [corinna.provant@gmail.com](mailto:corinna.provant@gmail.com).

## STATEMENT OF UNDERSTANDING

**By becoming a Life Flight Network Member, you agree to the terms stated below.**

A Life Flight Network Membership relieves you from liability for out-of-pocket costs of emergent, medically necessary transports completed and billed by Life Flight Network. Your membership is not an insurance policy but secondary to insurance carriers and health care cost sharing programs. All available insurances will be billed first including health, auto, workers compensation and third-party insurance. Life Flight Network will accept payment from insurance carriers and other third party payers as payment in full.

Membership benefits are available for those eligible household members listed on the member record at the time of transport if the transport is an emergent, medically necessary transport to the closest, most appropriate facility, performed by Life Flight Network, its contracted agents, or reciprocal partners, subject to the reciprocal program's rules.

Membership benefits are extended to the primary member, his/her spouse or domestic partner and dependents claimed on their income tax return. Dependents must be added to the member record within 30 days of birth or adoption. Elderly (age 65+) and disabled family members living in the same household are also covered. Life Flight Network may require documentation or other verification of membership eligibility.

Emergency medical transports are based on medical need, not membership status. Medical need can only be determined by a physician, EMS provider, hospital or another qualified third-party recognized by Medicare, and is in all cases subject to the final determination of the health insurance carrier, if any.

Non-emergent transports are not eligible for Life Flight Network membership benefits.

Availability of service cannot be guaranteed due to weather conditions, maintenance, commitment to another transport, out-of-service equipment, and other reasons.

New and lapsed membership benefits take effect upon receipt of a completed enrollment with payment.

Membership fees are non-refundable, non-transferable and are not tax-deductible. Life Flight Network may cease selling and servicing memberships should any governmental body, now or in the future, determine memberships can no longer be offered within their jurisdiction. No refunds will be made for any memberships already purchased.

**I transfer directly to Life Flight Network my rights to insurance payments due to me for services provided by Life Flight Network.** Such payments shall not exceed Life Flight Network's regular charges. Denial of a claim by an insurance provider must be received by Life Flight Network in writing. Membership benefits do not extend to transports deemed not medically necessary or when insurers deny payments due to coordination of benefit issues. Per government regulations, individuals covered by Medicaid are not eligible for Life Flight Network membership and should not apply.

**I specifically release and waive any and all rights, claims or causes of action against Life Flight Network and its employees and agents with respect to my Life Flight Network Membership.**

The Membership Program may be canceled at any time for any reason, including financial feasibility and governmental regulation of such programs. Terms and conditions are subject to change. For current terms see [www.lifeflight.org](http://www.lifeflight.org)
