DIRECTOR'S MESSAGE

David 'Dr Dave' Kesner

Intermountainhog.com

Hard to believe, but there are only two general meetings left this year. However, they are important ones. At the October meeting we will be calling for nominations for new executive officers. This includes Assistant Director, Secretary, and Treasurer. If you or anyone you know would like to run, let someone know to nominate you. All the other Board positions are appointed by the incoming Director (Katherine Clarke), but if you would be interested in serving in that capacity just let her know.

There will not be a meeting in November as it is too close to Thanksgiving. Instead we will combine both the November and December meeting into one on Friday, December 6th . We call this our Friendsgiving potluck with the Chapter providing the fried and baked chicken and the membership providing the rest of the pot luck. An email blast will go out letting you know whether to bring an appetizer, a side, a salad, or a desert (based on the first letter of your last name).

More importantly, at this meeting we hold the election of new executive officers. With the Chapter growing with more and more diverse members the challenges have also increased. The Board strives to keep as many people as happy as possible, but it can be quite the uphill battle at times.

As mandated by our sponsor (High Desert Harley Davidson) to make the Chapter safe the Board and the Road Captains will be working hard over the slow winter months to come up with guidelines for making all rides as safe as possible. They will be using input from the safety survey, our sponsor, members who did not choose to answer the survey, and from outside sources such as Mother HOG, other HOG Chapters, and local law enforcement. This is not going to be an easy task and may need tweaks, updates, and changes as the year progresses so bear with them.

Ride Safe and Have Fun!

MESSAGE FROM DENNIS PECK SPONSOR CHAPTER MANAGER

As the riding season winds down (for some), don't forget to come see me so I can verify your odometer reading and perform a safety check on your bike(s), for free. You must do this to receive you Ride 365 points. If you have any questions, please contact me at High Desert Harley-Davidson, 208-338-5599 or my cell number 208-547-3474.

Becoming Complacent Over Time

Over the past few years there has been an increase in the number of motorcycles on the road. Therefore, it should come as no surprise that motorcycle mishaps are on the rise. For all you riders whose motorcycles are a daily necessity, I have a little advice. Don't let confidence become complacency because accidents can happen to even to the safest of riders. Make sure you remain vigilant as others might not be. The more time you spend on the road; the more likely you are to have an accident. Even though the increased ride time is enjoyable, it also means riders are more susceptible to mishaps and accidents.

What are you less likely to watch for if you become complacent? The people who are texting while driving, messing with the radio, eating, putting on makeup, or engaged in deep conversation. Riders need to have a heightened situational awareness, don't ever assume a driver sees you because nine times out of 10 they don't. No matter how long you have been riding there's always risk associated with riding and you must be careful not to become complacent over the years. Younger riders and newer riders typically want to go fast so that obviously poses a huge risk, but it's just as dangerous to be an older, experienced rider not taking the proper safety precautions and becoming complacent by not wearing all the proper gear over time because "you are just running to the store." It's really all about life choices as you're only as safe as you make yourself on the road in the end.

Statistics show that someone riding between 6 months and a year & ½ are high-risk riders. Brand new riders are aware and not taking chances, about 6 months of time they feel like they got it figured out and relax taking more risks and not watching traffic as much which will cause riders to become complacent and cause accidents. You'll notice after riding, that over time you get used to acceleration, taking corners, wind in your face on the highway. In general, you feel like you have more time to think. Some things like shifting and breaking start to feel more automatic. You are also less stressed with less anxiety, so you have more spare time. Use that extra time to look for other traffic. Find ways to distance yourself from cars and plan even further ahead.

It's easy at a certain point to let your mind slip but try not to feel tired on the bike. One trick you can do is think about how much you have moved your head and looked around in the last minute? Sometimes when you get in a bit of a mode, you may notice that you hold your head very still and do not look in the mirrors as often as you should be. This is the time to straighten up your back and start scanning the environment again. Crack open your visor and let some air in, things that keep you always alert. Think about "where I will go in an emergency?" Plan an escape route and think about "do I have enough room to stop quickly if I had to?" Always treat every other road user as if they haven't seen you and don't know you're there. If someone pulls up to an intersection as you approach, assume they're going to pull out in front of you. A tip is to watch their front tires, if they are rolling, then be extra focused on what that car is going to do next. If someone is next to you in the other lane, assume they're going to change lanes without noticing you.

You should ALWAYS have an escape plan in mind when you are riding. If you assume that nobody sees you, then it won't be too much of a surprise the one time that it does happen, and you should be able to quickly move out of the way. Also, it is very important to not put yourself in dangerous situations, ride your own ride and never rely on someone else paying attention or looking for traffic to keep you safe.

LEAD ROAD CAPTAIN***Ron Pursell, Lead Road Captain***rpursell1949@gmail.com

I'm not ready to say the riding season is over, but with the exceptions of the Idaho Veterans Parade November 2nd and the Boise Holiday Parade on December 7th, the Chapter calendar doesn't show another ride until the Frozen Butt Ride on January 1st. However, as we all know, Idaho fall weather will still provide some awesome days to get out and ride.

All in all, 2024 was another great riding year. I wasn't able to make either of the two Southern Utah rides but from what I've heard, they were pretty awesome. The same for the North Meets South ride. Shannon's ride to Salmon was a great ride that I was able to go on and it was well worth the time. It was especially humbling to visit the firefighters memorial. There were a lot more rides I could ramble on about, but in the interest of newsletter space, I'll just say it was a great riding year. Make sure you check out Jeff and Anna's photo library to see some of the fun that was had.

Don't forget to get in and see Dennis for your mileage check before the year is out. Sorry I don't have more but Sherry and I were on a bucket list vacation the latter part of September until the 8th of October, and once we got back I discovered I had brought back an unwanted guest, and have spent 10 days since our return feeling like death warmed over. Add to that the fact that I tried to poison Sherry with gluten shortly after we got home. Anyway, it's getting better every day.

See you on the road,
Ron

LOWMAN LOOP RIDE***September 22******Patrick Doolittle, Lead Road Captain******Mid Linda Potts & Sweep Brett Allies***

We had a great turnout with 26 riders and passengers on 14 bikes and 7 trikes. We left at 10am from the Home Depot on State Street, and proceeded up Highway 55, following the standard route for the Lowman Loop. We stopped at the Chevron in Horseshoe Bend for the obligatory break and proceeded to Banks where we turned onto the Garden Valley-Lowman Highway. We stopped for a group picture at the Danskin boat ramp and a short break. We then proceeded to Lowman and on to Idaho City where the ride ended. Some of the folks had ice cream and others had lunch.

The weather was perfect, clear and sunny. The road conditions were good with just a few rocks and pine needles on the road. Thank you to all who came!

MEMBERS AT LARGE FALL PICNIC**September 29****Members at Large: Jamie Allies, Bob Anderson, Kathy Anderson, Michael Anderson, Sandy Kesner, John Tessin, and Herb Weston**

The IMCHOG Fall Picnic for 2024 is in the record books and it was a great success. There were 72 members at the event. The lunch of chicken or beef burritos, and chicken or beef tacos along with Mexican rice and beans, and house-made churros was catered by El Mariachi Loco Restaurant in Star. The food was hot, plentiful and delicious.

We had 54 riders on 17 bikes and 20 trikes that rode the 45-mile, 1 hour and 15 minute route on narrow and most certainly, winding roads to arrive at Middleton Place Park. Some of the riders that had never been on this route said later, "We thought we were lost". Thanks to Herb Weston for finding this short but excellent ride.

Thank you to the Road Captains, Pat Doolittle, Bill Dike, Mason Clarke, Katherine Clarke, Cliff Lewis and Brett Allies for their help in keeping the group together and making the ride a success. Thank you to Jamie Allies for completing the ride roster at the meeting point and getting those that didn't ride signed in at the event.

Thank you to all the volunteers: Kathy and Michael Anderson for organizing this event, Shannon and Herb Weston for picking up the food, Bev and John Tessin, Matt Oswald, Joanna Lewis, Sandy Kessner, Marla Dike, Cheryl Brenenstahl for serving the food, Art Brenenstahl for gathering all the equipment, Bob Anderson for keeping all the chickens moving in one directions and Anna Anderson with her ever-reliable camera. If it isn't documented in pictures, It didn't happen!

WHW Little Dragon Ride**October 9th****Brett Allies, Lead Road Captain**

For the WHW Little Dragon ride on October 9th , we could not have had a prettier fall day if we had special ordered it through Amazon. With temperatures ranging from the mid-50's in the morning to the low 80's in the afternoon, 27 riders, (3 of them new members) on 13 bikes and 10 trikes rode to Baker City, OR where we stopped for fuel and lunch supplies. We continued on over OR 245, The Dooley Mountain Highway (The Little Dragon), through Hereford, OR, where incidentally most of the cattle were Black Angus, and on to Unity State Park where we broke bread together, swapped stories, and shared good fellowship with our intrepid group of HOG riders.

After lunch and our obligatory group picture, we continued on to Vale, OR where everyone went their own direction. About half of the group had never ridden the Little Dragon or been on the route we took so that is a success in itself.

Thank you to the fellow Road Captains, Jamie Allies and Cliff Lewis for keeping the group together and headed in the same direction. Another safe and fun HOG ride is in the record books.

FRIENDSGIVING HOLIDAY POTLUCK & GENERAL MEETING**Friday, December 6 – 6:30pm****Katherine Clarke, Coordinator****Eagles Lodge**

Once again the holiday season is almost upon us! Isn't it amazing how quickly the year passes...we will be celebrating New Year's before you know it. Of course, as the months tick away, we get closer to prime riding season again!

With this busy time of the year, we adjust our November and December General Membership meetings. Please note the following **CHANGES**:

- There is **NO** meeting in NOVEMBER
- The Friday, December 6th meeting is at the **SAME meeting location**, the Eagles Lodge, **with a DIFFERENT start time: 6:30pm**
- Officer Elections are held

Plan on being there by 6:00pm with "your" food item (categories coming soon) since we will start promptly at 6:30pm. Social hour starts at 5:30pm. The chapter will be providing our traditional fried or roasted chicken as the main entree. Information will soon be out regarding what you dish category (based on your last name) you are to bring. Careful consideration will be given as to the number of 'last names' in a 'category' to reduce the chance of too many appetizers and not enough side dishes. Also, remember to bring the appropriate utensils for your potluck item.

If you have any questions, please contact Katherine at katherineclarke2002@gmail.com.

Dependents must be added to the member record within 30 days of birth or adoption. Elderly (age 65+) and disabled family members living in the same household are also covered. Life Flight Network may require documentation or other verification of membership eligibility.

Emergency medical transports are based on medical need, not membership status. Medical need can only be determined by a physician, EMS provider, hospital or another qualified third-party recognized by Medicare, and is in all cases subject to the final determination of the health insurance carrier, if any.

Non-emergent transports are not eligible for Life Flight Network membership benefits.

Availability of service cannot be guaranteed due to weather conditions, maintenance, commitment to another transport, out-of-service equipment, and other reasons.

New and lapsed membership benefits take effect upon receipt of a completed enrollment with payment.

Membership fees are non-refundable, non-transferable and are not tax-deductible. Life Flight Network may cease selling and servicing memberships should any governmental body, now or in the future, determine memberships can no longer be offered within their jurisdiction. No refunds will be made for any memberships already purchased.

I transfer directly to Life Flight Network my rights to insurance payments due to me for services provided by Life Flight Network. Such payments shall not exceed Life Flight Network's regular charges. Denial of a claim by an insurance provider must be received by Life Flight Network in writing. Membership benefits do not extend to transports deemed not medically necessary or when insurers deny payments due to coordination of benefit issues. Per government regulations, individuals covered by Medicaid are not eligible for Life Flight Network membership and should not apply.

I specifically release and waive any and all rights, claims or causes of action against Life Flight Network and its employees and agents with respect to my Life Flight Network Membership.

The Membership Program may be canceled at any time for any reason, including financial feasibility and governmental regulation of such programs. Terms and conditions are subject to change. For current terms see www.lifeflight.org
